

(3) Not engage in call splashing, unless the consumer requests to be transferred to another provider of operator services, the consumer is informed prior to incurring any charges that the rates for the call may not reflect the rates from the actual originating location of the call, and the consumer then consents to be transferred;

(4) Except as provided in paragraph (a)(3) of this section, not bill for a call that does not reflect the location of the origination of the call; and

(5) Ensure, by contract or tariff, that each aggregator for which such provider is the presubscribed provider of operator services is in compliance with the requirements of paragraph (b) of this section.

(b) An aggregator shall ensure that no charge by the aggregator to the consumer for using an “800” or “950” access code number, or any other access code number, is greater than the amount the aggregator charges for calls placed using the presubscribed provider of operator services.

(c) The requirements of paragraphs (a)(5) and (b) of this section shall not apply to CMRS aggregators and providers of CMRS operator services.

§ 64.706 Minimum standards for the routing and handling of emergency telephone calls.

Upon receipt of any emergency telephone call, providers of operator services and aggregators shall ensure immediate connection of the call to the appropriate emergency service of the reported location of the emergency, if known, and, if not known, of the originating location of the call.

[61 FR 14981, Apr. 4, 1996]

§ 64.707 Public dissemination of information by providers of operator services.

Providers of operator services shall regularly publish and make available at no cost to inquiring consumers written materials that describe any recent changes in operator services and in the choices available to consumers in that market.

§ 64.708 Definitions.

As used in §§ 64.703 through 64.707 of this part and § 68.318 of this chapter (47 CFR 64.703–64.707, 68.318):

(a) *Access code* means a sequence of numbers that, when dialed, connect the caller to the provider of operator services associated with that sequence;

(b) *Aggregator* means any person that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for interstate telephone calls using a provider of operator services;

(c) *Call splashing* means the transfer of a telephone call from one provider of operator services to another such provider in such a manner that the subsequent provider is unable or unwilling to determine the location of the origination of the call and, because of such inability or unwillingness, is prevented from billing the call on the basis of such location;

(d) *CMRS aggregator* means an aggregator that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises for interstate telephone calls using a provider of CMRS operator services;

(e) *CMRS operator services* means operator services provided by means of a commercial mobile radio service as defined in section 20.3 of this chapter.

(f) *Consumer* means a person initiating any interstate telephone call using operator services. In collect calling arrangements handled by a provider of operator services, both the party on the originating end of the call and the party on the terminating end of the call are consumers under this definition.

(g) *Equal access* has the meaning given that term in Appendix B of the Modification of Final Judgment entered by the United States District Court on August 24, 1982, in *United States v. Western Electric*, Civil Action No. 82–0192 (D.D.C. 1982), as amended by the Court in its orders issued prior to October 17, 1990;

(h) *Equal access code* means an access code that allows the public to obtain an equal access connection to the carrier associated with that code;

Federal Communications Commission

§ 64.710

(i) *Operator services* means any interstate telecommunications service initiated from an aggregator location that includes, as a component, any automatic or live assistance to a consumer to arrange for billing or completion, or both, of an interstate telephone call through a method other than:

(1) Automatic completion with billing to the telephone from which the call originated; or

(2) Completion through an access code used by the consumer, with billing to an account previously established with the carrier by the consumer;

(j) *Presubscribed provider of operator services* means the interstate provider of operator services to which the consumer is connected when the consumer places a call using a provider of operator services without dialing an access code;

(k) *Provider of CMRS operator services* means a provider of operator services that provides CMRS operator services;

(l) *Provider of operator services* means any common carrier that provides operator services or any other person determined by the Commission to be providing operator services.

§ 64.709 Informational tariffs.

(a) Informational tariffs filed pursuant to 47 U.S.C. 226(h)(1)(A) shall contain specific rates expressed in dollars and cents for each interstate operator service of the carrier and shall also contain applicable per call aggregator surcharges or other per call fees, if any, collected from consumers by the carrier or any other entity.

(b) Per call fees, if any, billed on behalf of aggregators or others, shall be specified in informational tariffs in dollars and cents.

(c) In order to remove all doubt as to their proper application, all informational tariffs must contain clear and explicit explanatory statements regarding the rates, *i.e.*, the tarified price per unit of service, and the regulations governing the offering of service in that tariff.

(d) Informational tariffs shall be accompanied by a cover letter, addressed

to the Secretary of the Commission, explaining the purpose of the filing.

(1) The original of the cover letter shall be submitted to the Secretary without attachments, along with FCC Form 159, and the appropriate fee to the Mellon Bank, Pittsburgh, Pennsylvania.

(2) Copies of the cover letter and the attachments shall be submitted to the Secretary's Office, the Commission's contractor for public records duplication, and the Chief, Tariff and Price Analysis Branch, Competitive Pricing Division.

(e) Any changes to the tariff shall be submitted under a new cover letter with a complete copy of the tariff, including changes.

(1) Changes to a tariff shall be explained in the cover letter but need not be symbolized on the tariff pages.

(2) Revised tariffs shall be filed pursuant to the procedures specified in this section.

§ 64.710 Operator services for prison inmate phones.

(a) Each provider of inmate operator services shall:

(1) Identify itself, audibly and distinctly, to the consumer before connecting any interstate, domestic, interexchange telephone call and disclose immediately thereafter how the consumer may obtain rate quotations, by dialing no more than two digits or remaining on the line, for the first minute of the call and for additional minutes, before providing further oral advice to the consumer how to proceed to make the call;

(2) Permit the consumer to terminate the telephone call at no charge before the call is connected; and

(3) Disclose immediately to the consumer, upon request and at no charge to the consumer—

(i) The methods by which its rates or charges for the call will be collected; and

(ii) The methods by which complaints concerning such rates, charges or collection practices will be resolved.

(b) As used in this subpart:

(1) *Consumer* means the party to be billed for any interstate, domestic,
